

COVID-19 Update - 20th of August 2021

The New Zealand Government announced an extension of the COVID-19 Alert Level 4 until Tuesday the 24th of August 2021. Federation Mining support the government's goal to protect the health and safety of all those in our community.

We have implemented our COVID-19 Management Plan and will continue to maintain a small number of our staff on site to maintain critical infrastructure, safety and security.

Federation Mining will continue to monitor the situation closely and is in regular contact with our workforce and contract partners. We have plans in place for returning to operations with enhanced hygiene and COVID-19 safe practises once the Alert Level is lowered.
